

Enhancing SMEs competitiveness in EU

Monday 5th October 2015 at 18:30

Representation of the State of Hessen to the European Union
Rue Montoyer, 21 – 1000 Brussels

Camera di Commercio
Belgo-Italiana

HESSEN

Brief Abstract

The conference is the closing event of a 2-year project funded by the European Commission, aimed to raise awareness of the entrepreneurial skills of adults in charge of managing a house or a family, and during which 8 European partners worked jointly to develop an e-learning training course, as well as parallel activities to increase the business potential of households.
